

## Notes from Hayao Miyazaki Website Mockup review

Creative Director: Griffin Xu

Designer: Efua O.

### Home Page:

- No scrolling, simple navigation
- Use the forest green color scheme
- More spacing between each tab
- Tabs: Home/ About/ Studio Ghibili/ Message and Style/ Sources
- Find a happier picture of Miyazaki, with the darker green navigation bar color

### Navigation Tabs:

- Great typeface choice!
- More margin on both sides, make sure everything aligns with the margin
- The top part stays
- Button: no hovering effect; when you click on it, the button gets highlighted and stays highlighted until you click on other pages

### Overall Notes:

- Content suggestion: images, quotes, movie characters
- Equal padding top and bottom for the text
